Richard is our foreign teacher, whom is from England. He has a interesting way to make his classes attractive and lively. For example, in last Friday, when he explained the meaning of "crawl" to us, he did not just tell us their definition from the dictionary. Instead, he lay on his stomach and move forward on his hands and knees slowly. We watched him with interest, laughed loudly. Thus the concept of the word rooted in our mind. Richard can speak some Chinese, and his pronunciation is not well. He often asks us to correct his mistakes. Have you heard of a teacher who learns from student? Richard does !
