One possible version:

Dear Johnson,

I'm Li Hua, one of your classmates. Learning that you fail to adapt yourself well
to the school life here, I am writing to express my sincere/earnest comfort to you.
Meanwhile, I'd like to share with you some reasonable suggestions.

I think, first of all, you can try communicating with us more, sharing with us
your concerns together with joys and pleasure. What's more, it must be great help if
you can join us in our activities to experience Chinese life more and explore Chinese
culture more.

Before I conclude my letter, I sincerely hope to invite you to my birthday party
next Sunday. Let's have fun together!

Yours

sincerely,

Li
